

16th Meeting ISC - Europe

As agreed in last ISC European Coordination meeting in Basel, and as informed previously in the ISC newsletters (<http://cei-spiritistcouncil.com/>), we confirm that the next meeting of the European Coordination of the International Spiritist Council will be held from 23rd to 25th March 2018, in the already well-known castle of Wégimont, located close to the city of Liège, in Belgium.

The detailed agenda will follow soon, including follow-up of last meeting held in Basle in 2016, and of the recent Life philosophy Meeting in Bucharest on 30th September and 1st October 2017.

We remind that the European Coordination Meetings are unique opportunities to exchange experiences and information between spiritists from Europe and other parts of the world, and to learn one from the others.

As per the ISC directives about Regional Coordinations, these meetings are focusing on Spiritist field activities in Europe, their planning and their improvement, training etc.

In order to facilitate the participation of European natives which do not understand Portuguese or Spanish, the meeting will mostly be held in (Not Very Good) English language, mostly understood in Europe. Translations into Portuguese will be organized for the participants who do not understand English.

In parallel of the meeting, there will be the 5th European Meeting of Spiritist Educators of Children and youth, with special guests. There will also be an activity for children and youth during the event, so children and youth are welcome!

It will be a pleasure to meet you again in Wégimont!

Please feel free to forward this invitation to whoever might be interested.

So do not hesitate to already book the date of the Week-End of March 23rd 2018 in your agenda and register via this form or via our website: www.spirite.be.
